## BECOME A PROUD PARTNER OF THE KANGAS - 2019 SPONSORSHIP OPPORTUNITIES

Off the back of our second senior premiership in the Sunraysia Football & Netball League, the 2019 season is shaping up to be yet another year of excitement for the Ouyen United Football & Netball Club Inc.

New President Mal Crothers takes the reigns this year, supported by Janine McLean as Secretary, and Paul Wisneske as Treasurer. This team, together with the rest of the committee, is sure to provide Ouyen United with continued leadership and direction.

Luke Nathan continues as joint coach of the Senior footballers and is this year partnered by Luke Stanbrook. Together, these experienced, hard-at-the-ball footballers are sure to continue to draw the best from our playing group. At the courts, Kyra Nathan and Casey Crothers have once again committed to leading our netballers to what we're sure will be their best year yet. In the wake of A Grade's finals debut, the girls know what it takes to push for victory and are set to fire again this year.

Although major works have been completed in previous years, our Club is committed to even the finer details that need attention as we move into the future. From lighting the Blackburn Park netball courts, to providing seating, to installing new goalposts, 2018 demonstrated that we are an organisation that prides itself on our facilities and working hard to maintain them. Moving forward, we aim to continue our infrastructure improvements, which include projects such as the Underbool timekeepers' box, Blackburn Park pavilion furniture, and Underbool trainers' and umpires' room. Your support, together with that of our army of keen volunteers, will help to ensure we can continue to provide our community with quality family facilities and a social outlet for all ages.

In partnering with the benchmark club in the SFNL, your business will be provided with the opportunities to:

- Gain a greater exposure of your products/services via your partnership with the largest sporting club in the Mallee (and most probably the whole of Sunraysia).
- Align your organisation with the grassroots of our national sports and the positive attributes of a Club like the Ouyen United Football & Netball Club Inc.
- Partner with a community-minded and family-friendly club which has strong values and ethics.

We would appreciate your response by **28 March** to enable us to best manage your donation. Should you wish to discuss our sponsorship packages further or to tailor a package specific to your needs, please contact Sponsorship Committee members Steve O'Callaghan, Ash Corbett or Simon Brown as outlined in our Sponsorship Form.

Mal Crothers  
**OUFNC President**

# SPONSORSHIP PACKAGES
